

F3b (V2): Kogelnik/BPM/RCWA 3-way regime map

NOT YET AVAILABLE:

needs a genuine 3-way comparison runner (Kogelnik closed-form vs. SlabBPM split-step vs. RCWA) -- does not exist yet;
experiments/manifest.py's build_V2_jobs has the job configs but no execution path through run_job() yet. See manifest.py's VALIDATION_BUILDERS docstring.
